

Multicolor - Guide Kita Voucher

Dear parents,

Welcome to Berlin, we welcome you in Berlin-Buch!

In Germany, your child has the opportunity to visit a daycare center. Here it can play together with other children, learn, make new friends and learn the German language. Trained educators - in a word: specialist staff - look after and support your child in a sheltered environment. So your child prepares well for the future school visit.

Take advantage of the opportunity of child day care and let your child attend a daycare!
